INITIAL LICENSURE

Candidates who have never received licensure in another state must apply by Initial Licensure. Candidates who have held Optometry licensure in another state, may still apply for initial licensure if they meet the Board's current requirements for licensure. Initial licensure, if you are eligible, is generally the most efficient way to obtain your license. PCS must receive the following to process your application:

- a. A completed *Application for Massachusetts Optometry License*, including a 2x2 passport type photo and any supporting documentation.
- b. A completed Criminal Offender Record Information Request Form.
- c. An official transcript from your college or university.
- d. An official transcript from an accredited school of Optometry. Official transcripts must include your graduation date and carry the official seal of the school. The transcript may be sent directly to PCS or may be included with the application in a school sealed envelope.
- e. A certified transcript indicating your passing scores sent directly from the National Board to PCS for Parts I, II, III, and TMOD. (NERCOATS not accepted after 1/1/97.)
- f. CORI (Criminal Offender Record Information) Form.
- g. Verification of licensure from all other states in which you have been licensed, indicating you are in good standing. This is necessary whether the license is current or expired. You will have to contact each state to request this document be sent directly to PCS on your behalf.
- h. Payment of **\$460.00** Payments may be made with a VISA, MasterCard, certified check or money order. Please make certified checks or money orders payable to PCS and include your SSN on the front of the payment. **Fees are non-refundable and non-transferable.**

LICENSURE BY RECIPROCITY

Candidates who are currently and have been continuously licensed in another state for at least three full years and who do not meet the requirements for initial licensure may apply by reciprocity. PCS must receive the following to process your application:

- a. A completed *Application for Massachusetts Optometry License*, including a 2x2 passport type photo and any supporting documentation.
- b. A completed Criminal Offender Record Information Request Form.
- c. An official transcript from your college or university.
- d. An official transcript from an accredited school of Optometry. Official transcripts must include your graduation date and carry the official seal of the school. The transcript may be sent directly to PCS or may be included with the application in a school-sealed envelope.

- e. CORI (Criminal Offender Record Information) Form.
- f. A certified transcript indicating your passing scores sent directly from the National Board to PCS for Parts I, II, III, and TMOD. (Part III should reflect a date after 1/1/97. NERCOATS was accepted before 1/1/97.)
- g. Verification of licensure from all other states in which you have been licensed, indicating you are in good standing. This is necessary whether the license is current or expired. You will have to contact each state to request this document be sent directly to PCS on your behalf. The candidate must ask the state(s) that the candidate is currently licensed in, if that state would accept a Massachusetts candidate as a reciprocal candidate. The Board in question will need to submit this information in a letter to PCS. This is required for the file to be complete.
- h. Payment of **\$460.00** Payments may be made with a VISA, MasterCard, certified check or money order. Please make certified checks or money orders payable to Professional Credential Services and include your SSN on the front of the payment. **Fees are non-refundable and non-transferable.**

MASSACHUSETTS JURISPRUDENCE EXAMINATION

All candidates are required to take the Massachusetts Jurisprudence exam. After you are determined eligible for the exam, PCS will issue an authorization to test (ATT) to you for the Jurisprudence exam.

The Massachusetts Jurisprudence exam is offered on a daily basis at PSI testing facilities located throughout the United States. The exam is one hour in length and contains 25 multiple-choice questions. The examination pertains to the Massachusetts General Laws and the Code of Massachusetts Regulations as they relate to the practice of Optometry in the Commonwealth.

You will receive the results of the Jurisprudence exam at the PSI test site upon completion of the exam. Failing examinees will be given re-scheduling information.

ADDITIONAL LICENSURE PROCEDURES

When all licensure requirements are met (the forms are properly filled out, all documents are received, and you have passed the Jurisprudence exam), you will receive notice of licensure and your licensure status will be posted on the Board's web site. The Board will mail the wallet license within 6 weeks of the web site posting.

If you are being initially licensed with TPA certification, you must submit a separate application with the MA Department of Public Health Drug Control Program in order to exercise your prescribing privileges. You may reach that office by telephone at 617-983-6700 or at <http://www.mass.gov/dph/dcp/dcp.htm>.

If you are applying for licensure by reciprocity and you are seeking DPA or TPA certification, please review the DPA/TPA explanation available on the web site of the Massachusetts Optometry Board at: http://www.mass.gov/dpl/boards/op/forms/dpa_and_tpacert.pdf.

Some license applications will require the attention of the Board. You will be notified by PCS if your application must be addressed in this forum.
